(NEW)

(NEW)

(NEW)

- Updated training topic presentation for 2010!
- Class size is limited to the first 40 registrations!
- A minimum of 30 attendees is required to hold the training for a single session.
- Pre-registration is required 10 days in advance. (*walk-ins are not allowed unless there are still openings, call in advance*)
- All participants who complete the course will receive a certificate that meets MSHA requirements.
- Upon request, 8 hours of credit towards new miner training will be issued.
- Class time is from 7:30 a.m. to 4:00 p.m. with a break for lunch. (*Lunch is on your own*)
- Alpha Terra reserves the right to cancel training sessions due to poor attendance or other mitigating factors.

Regulatory Compliance Services

Following is a list of safety and health services provided by the Alpha Terra Science safety division staff: comprehensive appraisals, assessments, or audits, written program development, development of management systems, PPE hazard assessments, site-specific and general awareness training, air and noise monitoring, and ongoing technical support.
Our environmental compliance division provides assistance with stormwater pollution prevention plans, SPCC plans, air monitoring, and environmental site assessments.

MSHA Part 46 Training Plan Development

The Alpha Terra project management staff is available to assist independent contractors who may be exposed to mining hazards at surface mining properties. Any employer who has employees who are exposed to mining hazards must be in compliance with Part 46 training requirements. We have 3 experienced professionals available to assist with Part 46 training plan development, MSHA 8-hour annual refresher training, or any other MSHA or OSHA safety need.

Contact Alpha Terra Science at (920) 892-2444 and ask for Michelle Boeldt or Heidi Rodenkirch to register for your 2010 MSHA refresher training session.

Contact Jerry Hirt @ (920) 892-2444 or e-mail him at JerryHirt@alphaterra.net for free cost estimates for on-site refresher training sessions.
